REVISED 09-17-2018

County of Los Angeles
DEPARTMENT OF
PUBLIC SOCIAL SERVICES

IN PARTNERSHIP WITH

LOS ANGELES COUNTY YOUTH@WORK PROGRAM

CalWORKs Questions & Answers

The Los Angeles County Youth@Work Program, through the "Earn and Learn" model, provides CalWORKs youth ages 14-18 (19 year olds enrolled in the Cal-Learn program) with meaningful work experience. During their participation in the program, youth will:

- Participate for up to 20 hours of paid Personal Enrichment Training;
- Participate in approximately 100 hours of paid work experience;
- Earn the minimum wage; and
- Get the opportunity to network with potential employers.

Am I eligible for the Youth@Work Program?

You are eligible for the Youth@Work Program if you:

- Receive CalWORKs;
- Are 14-18 years of age;
- Are a 19-year-old youth in CalLearn;
- Are a Los Angeles County resident;
- Have the right to work in the U.S.; and
- Are eligible for a work permit, if under 18 years of age.

Will my earnings from this Program impact my parent's CalWORKs benefit grant?

Earnings from the Youth@Work Program for youth under 19 years of age are exempt (will not count) in determining the CalWORKs grant if the youth:

- Is aided as a child under their parent or caretaker's case; and
- Is enrolled in school full-time or has a school schedule that is equal to a part-time curriculum and is not employed full-time (less than 173 hours per month).

Note: Earnings **will** count toward the CalWORKs grant for:

- Youth who do not meet the criteria listed above; and
- Youth who have their own CalWORKs case and are not under a parent case, and 19 year olds not enrolled in Cal-Learn.

2 Do I or do my parents have to report my earnings from the Youth@Work Program to the County? If so, how do we report earnings to the County?

3 Yes, all earnings must be reported whether exempt or not. Earnings must be reported during the Redetermination interview and/or on the Semi-Annual Eligibility Status Report (SAR-7) in order for the Eligibility Worker to assess the earnings. Participants must clearly indicate on the SAR 7 that the earnings received are relevant to the Youth@Work Program. You may ask your Youth@Work Program case manager to provide you a letter indicating your earnings.

2 When and where can I apply?

4 You may apply anytime during the year in person at your nearest participating agency as shown below or online. Keep in mind that space is limited and is filled on a first-come, first-served basis beginning the month of July of each year.

2 What is the website address and how do I apply online?

5 The website address is <http://bit.ly/2tYNfOG>. You may complete an Interest Form online and provide all your contact information. A participating agency will contact you to provide additional information; however, you must submit an application in person in order to begin your enrollment process.

2 Do I need a work permit if I am a high school student?

6 Yes, if you are still attending school and are not 18 yet, you need a work permit from your school's administration office.

2 Do I need a work permit if I am not 18 years of age but have a high school diploma?

7 No. If you have graduated from high school and you are not 18 yet, you don't need a work permit, but you need to provide your diploma or General Education Development (GED) certificate during enrollment.

2 What if the school I attend is closed in the summer, where should I go to get my work permit?

8 You can get the work permit from your local Unified School District's Administration Office.

2 What documents will I need to bring with me in order to enroll?

9 In order to participate in the Youth@Work Program, you need to provide documents proving your eligibility and right to work in the U.S. You will be required to take the following documents with you when you go to the Youth Employment agency to enroll: Photo ID (California or school ID); Social Security Card and Work Permit from your school district, if you are under 18 and have not graduated.
